or 0419 550 023

The Kingaroy Bowls Club and APM are inviting those with a disability to become involved in Lawn Bowls through their multi disability Come and Try day!

Lawn Bowls is a truly inclusive sport, where anyone can get on the green and enjoy what the sport has to offer including the psychological, social, physical and competitive benefits.

If you or your friends know of anyone with a disability, anyone who may benefit from getting out and meeting new people or who has an interest in playing lawn bowls, let them know about this day and encourage them to come along!

Delivering the NDIS in your community
