Transition Partners Workshop Opportunity

An information session designed to increase the understanding of the types of employment and pathway supports available inside and outside the NDIS and to help parents / participants / school staff plan and prepare better to discuss employment support options for their son / daughter / students during and after school.

The workshop will cover:

- 1) Employment supports - DES and ADE
- 2) NDIS Employment Support Funding –
 - Social, Economic and Community Participation **INCLUDING** Supports in Employment
 - Finding and Keeping a Job **INCLUDING** School Leaver Employment Supports (SLES)
- 3) Understanding the Specialised Job Customisation (Customised Employment) approach
- 4) The Disability Support Pension (DSP) and Open Employment

Delivering the NDIS in your community
